the low presure it chmond was "up for Flowers of all sorts for Sale, at \$2 North the city," and our friend again appeared You, ab, excuses me for ax de ques-You know de steamboat Riene-

Men. on the above and the season of the create to read to the create to the cr Crescent City, with mighty ideas of the time when the Mississippi shall be navi-

To day our handsome country notem-

Mr. A. L. Cammons, of the cotton city, will also be a passenger on the Lind one say in confidence and truth of it what lows in that ancient borough.

e never can be able to say of any other med. Some feative chap, regardless of the The Clifton left Cincinnati for this port

> The weak line of leves extending down the Fordoche and Maringonio, La., has been raised and strengthened until it is now impregnable to the rush of the waters coming through the Grand Level and their fields have been swept bare Without money or credit, or hope of sid from Congress, the State or the parishes through which their bayous run, they went to work, and it is creditable to the een piled as would have sufficed to have osed Grand Levee crevasse, and this work was begun and completed without whe was used and competed without the passage of resolutions and appeals to any power for sid. The people saw that they would not be aided and "they helped themselves." Everybody, white and black, went to work with a will, and OFFICIAL HISTORY OF THE WAR to-day the plows are running over the

faston a tur about four miles this side of Van Buren, while the Peerless lays about the same distance below the same place, and in a like condition.
